

Diver in the woods

21 4 5

Chapter 1 by Gugga

Today I woke up in my diving suit, surrounded by ashes of burned trees. I felt pretty weird about that, since I didn't remember what I was doing before that. I have scattered recollections of the day before though: It was a sunny holiday morning and I had decided to go diving, so I got my gear, diving-suited up and had my fair share of fun, until the moment I got trapped in some sort of net...and then...here I am, a diver in the woods. No clue of what happened.

Chapter 2 by Feodor

So now, dear reader, you have met our diver. What he does not know, but is going to find out, is that three years takes you a long way. Have you ever heard of the underground city? Not many people have. But the people of this city, don't get many visitors. So when Haqqy saw the Diver, he got a little, excited, could be the word.
